LYON/VENISE FROM ONE LION TO ANOTHER

A ride in old timers, without chrono, to the rhythm of « Dolce Farniente » !

From this Lyon so beloved by the Roman Emperors to Venice, the City of the Doges where the smallest house seems a mysterious palace, your favorite vintage car will be the Orient Express of your dreams...

Climb the Alps, the largest and highest mountain in Europe. Drive along the French, Swiss and Italian lakes where the art of living and idleness have come together with so much refinement. And finally join Venice, so coveted by Emperors and Popes.
