**Balade of the Old Times...  
From "Dolce Vita" to Viennese Waltzes !**

# LYON/VIENNE FROM "DOLCE VITA" TO VIENNA WALTZES

A Balade without a Chrono, at the pace of your choice! !

In the same spirit as our Lyon/Venice of May 2022 with 1 more day and without any highway section (unless, of course, it is you who wish it) here is the program of our Lyon/Vienne 2023. ride in vintage and modern prestige cars. A prize will be awarded to the crew of the oldest car on arrival.

This Lyon/Vienna will unfold to the romantic cadence of a Strauss waltz, over the Alps caressed by Mozart, mountain passes carried by Beethoven, and many returns to the calm of these marvelous Alpine lakes. We had concluded our Lyon/Venice with a masked ball, in Vienna we will invite you to a dressed dinner (Sissi the Empress way) where those who wish can waltz until the end of the night... Be careful, in view of the he event some have told us that they have already signed up for dance classes, it's going to waltz!

Austria. We go up, between lakes and mountains to the heart of Austrian Tyrol. Dinner and night in the heart of Tyrol.
