

CORSICA DREAMS - LA CORSE DES LIONS **From Sunday 12 to Thursday 16 May 2024**

Corsica, the wildest, most authentic dream of our Mediterranean. The infinite variety of its wave-beaten coastlines, its rugged mountains, its magnificent desert. Corsica, in itself a complete continent, carved by the ancient Gods to human size, for the pleasure of driving and automobile discovery.

Corsica, one day or another, everyone has been there. But when we come back, what a joy to rediscover, spared from the concrete as in our memories, an eternal Corsica which has preserved its beauties so well.

After our Lyon/Venice walking rallies in 2022, Lyon/Vienna in 2023, Fenouil, Puce and Sables Chauds are pleased to offer you from Sunday 12 to Thursday 16 May 2024, what seems to us to be the best – the Corsica of the Lions.

In 5 nights and 4 stages, the itinerary with scents of pine and eucalyptus will take you on superb and legendary roads, between sea and mountains. Villages, lakes, passes, forests, coves with turquoise waters follow one another as you round the bends: Cap Corse, Balagne, Castagniccia, Niolu, Alta Rocca... magnificent panoramas. Great care will be taken in the hotel (4++ and 5 stars), gastronomy, and conviviality.

This walking rally is open to both Anciennes and Prestiges. No ranking but a trophy to the crew of the oldest car to finish.
